SIR,

In submitting herewith a copy of the resolution of the City Improvement Committee dated 28th April 1920, fixing a remuneration of Rs.1,500/- in full and final adjustment of the claims of Mr. Fritchley for the preparation of designs, plans etc, for the (1) Town Hall and Municipal Offices and (2) the Market frontage, I have the honor to state that the Architect's services were engaged under sanction of Government vide G O No 1813--6 Ml 87-17-5 dated 22nd September 1917 and ~~No~~ G O No 2894-6-Ml 87-17-8 dated 23rd November 1917, respectively

S
T

2. Mr. Fritchley was paid a sum of Rs 12,709-1-0 as per terms for the preparation of sketch plans, 8' scale drawings and estimate for the Town Hall and Municipal Offices

3. Subsequent to this Mr Fritchley forwarded a few detail drawings which he had prepared before the change of site was contemplated, and he sent along with them a bill for Rs 3,433-6-0 towards professional services rendered in preparing exterior details for the Town Hall and Municipal Offices and the connecting block, and another bill for Rs 2,500/- for preparation of plans etc, for the Market frontage

4 In dealing with these claims, the Committee were of opinion that all the detail drawings required for the Town Hall and Municipal Offices had not been prepared by Mr Fritchley, and

4

that what he had sent represented about a fifth of the detail drawings that were necessary to serve as working drawings and assessed the remuneration accordingly. While in the case of the Market frontage, though Mr. Fritchley was engaged in the preparation of designs and plans for this work for some time and revised them several times, they were never finally approved by the Committee However, for the labour and attention bestowed on their preparation, the Committee thought it fair to compensate Mr Fritchley, especially because he expressed a wish to withdraw from the engagement The Committee, after careful examination, fixed Rs 1,500/- as a fair and just remuneration for the detail plans of the Town Hall and Municipal Office and for the labour expended on the design of the Market frontage Mr. Fritchley in his letter dated 21st instant has accepted the decision of the Committee

5. I request that you may be so good as to move the Government to sanction the amount of Rs 1,500/- in final adjustment of Mr. Fritchley's outstanding claims and to terminate the agreement with him for the preparation of designs, plans etc , for the schemes mentioned above

I have the honor to be,

Sir,

Your most obedient servant,
